## REMARKS

Claims 1-8 have been allowed.

Claims 9-17 stand rejected under 35 U.S.C. §112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Applicants have cancelled claims 9-17 without prejudice to facilitate allowance of claims 1-8. Applicants reserve the right to file cancelled claims 9-17 as the subject of a continuation application.

Applicants have made a diligent effort to place the claims in condition for allowance. Accordingly, a Notice of Allowance for claims 1-8 is respectfully requested. If the Examiner is of the opinion that the instant application is in condition for disposition other than through allowance, the Examiner is respectfully requested to contact applicants' attorney at the telephone number listed below so that additional changes may be discussed.

The Director is authorized to charge Deposit Account No. 20-0888 for any fees due, or credit overpayment, related to this filing.

Respectfully submitted,
